

Our Stroke Recovery Program is designed as an intense recovery program using a combination of protocols to offer functional independence and quality of life post-stroke.

We have one of the most advanced physiotherapy centres in Malaysia operated by DBC Physiotherapy, and we work in partnership with Thomson TCM, an award winning health centre.

From RM14,500/month all inclusive

- 24/7 care by a team of nurses & nursing aides
- Physiotherapy with DBC (frequency to be advised)
- Private room with housekeeping & laundry
- Hotel-catered meals - halal (Breakfast, Lunch, Dinner & Tea)
- Clubhouse Access (valued at RM2,500)
- Vital signs & medication management
- Care coordination

Add On Services:

- Traditional Chinese Medicine Treatment (3 sessions weekly) - *highly recommended*
- Speech Therapy
- Dietitian
- One-to-One Caregiver (*mandatory for tube fed)
